

Skyward Family Access

Logging In

- From SISD Home Page (www.sharylandisd.org), go to lower left hand corner
 - Click on **Skyward Student and Family Access** link
- You can obtain the username and password from your child's school
 - Receptionist can direct you to proper person

Checking Your Child's Grades

- From the Family Access home page
 - Click on **Gradebook** (left hand navigation column)
- You will see the classes and grades for the current grading period
 - To see other grading periods, use the **Prev** and **Next** buttons
- Posted Grades will appear as **Blue Underlined Text**
- Non-Posted grades that exist will show as a notebook icon
 - These are "up to the minute" grades – they are updated as soon as the teacher enters them in his/her gradebook
- To see grade detail, click on the Posted grade or Notebook Icon
- Progress Reports are different
 - Grade not underlined
 - To see detail of that progress report, click on the column header
 - PR1, PR2, etc...
- You can also click on the **Missing Assignments** and **Comments** tabs at the top of the screen for additional information

Checking Your Child's Attendance

- Click on **Attendance** (left hand navigation column)
- Click on the tabs (Calendar, By Day, Term Totals) for additional ways to view your child's attendance
- In the **Calendar** (default) view, click on the date for additional information.

To Print the Information Displayed on the Screen

- Click on the **Print** button (upper right corner) to render a printer-friendly format

Other Available Information

- **Schedule** – views your child's current and future (when available) schedules
- **Discipline** – views your child's discipline history
- **Health Information** – views your child's vaccination record
- **Login History** – views your account's login history and areas visited during that login (click **view details** for areas visited)
