

Sharyland High School – Richard Thompson Stadium

We will provide on the sidelines for Sub-Varsity Football Games:

Cow / coolers filled all the way with ice and water.

Injury ice in cooler.

You will need to provide for your team for Sub Varsity Games:

Stocked Medical kit.

Water bottles.

Ice bags & wrap.

Tape athletes before they come.

(For those who have taped our athletes in the past, present, or will tape in the future...Much Thanks! Our athletes should not be asking you to tape them though.

If they do then you are welcome to tell them "no." You are also welcome to tape them if you are feeling charitable but they should have a med-kit so you do not have to use your supplies).

Sidelines: We will provide: 2 benches and a trash can.

Locker room: We will provide 1 table and a trash can.

Water fountain in the locker room.

Water faucet at the front of the visiting fieldhouse - you will need a water key and hose.

(Water is also located at the track with a hose - no key needed).

Other Stuff:

Ambulance on site for all football games.

Ambulance is instructed to stay 15 minutes after the end of the game.

We will carry an AED on our sidelines and at all athletic events.

AED also in the football Field House and front main gym.

Other Track / Stadium Stuff:

Water access with a hose on both sides of the track at approximately the 50 yard line.

Will have access to extra ice if needed.

All other sports:

Please have your teams bring their own medical kits to all games.

Indoor sports: 10 gallon of ice water & cups & injury ice on site.

Softball and baseball: Water fountains in dug outs. Ice in home dugout

Soccer:

Bring your own 10 gallon cooler and bottles. We will instruct our coaches to take our own as well. (Don't worry, while I am sure they will NEVER forget to bring water, we will take care of them if they do).

Injury ice on home side.
