- Interdisciplinary
- Biology
- Engineering
- Computer Science

IS SA3 FOR ME?

The Sharyland Advanced Academic Academy Initiative focuses on young people for whom the transition into post-secondary education is now underrepresented such as first generation and/or Hispanic college students. ALL students are encouraged to apply.

BENEFITS

- The opportunity to earn an Associate Degree or up to two years of transferable college credit while in high school;
- The academic and social supports that will help students succeed in a challenging course of study;
- The learning that takes place in the small learning environment of an ECHS requires rigorous, high-quality work with extensive support;
- Provides a smooth transition between high school and college; and,
- All tuition and fees are waived for participating students.

APPLICATION PROCESS

Enrollment applications will be available January 19th through February 16th, 2018. Current 8th grade students who are interested in applying may pick up an application with their Junior High 8th grade counselor.

Applications will also be available at the SA3 front office or online at: www.sharylandisd.org/sa3.
